Elite Outdoor Lighting
Outdoor Lighting Professionals

Yearly Lighting Maintenance Plan and Agreement:

Two visits per year:

- Perform visual inspection of fixture placement, design scheme, and recommend possible enhancements
- Straighten and adjust fixtures
- Remove overgrowth and debris that might be covering fixtures
- Check for proper voltage distribution on each fixture
- Clean lenses and fixtures to ensure longevity and correct light output
- Ensure transformer wire connections
- Conceal any exposed wire due to foot traffic or natural conditions
- Check automatic timing and operational control system
- Does not include storm damage or Acts of God
- \$12.50 a fixture

Expands your five year warranty on **ALL** bulbs to a lifetime warranty on everything.
