Outdoor Lighting Professionals

Lifetime Warranty

All transformers installed by Elite Outdoor Lighting. The warranty does not cover lightning strikes, acts of God, any problems caused by home electrical issues or service calls to reset circuit breakers or GFCIs. If anyone other than an Elite Outdoor Lighting personnel accesses the transformers for any reason other than timer adjustment, this warranty is void. Any additional fixtures that are added to the transformers that may cause the transformer to overload will void the warranty.

All brass and/or copper fixtures and well light fixtures installed by an authorized Elite Outdoor Franchisee (excludes bulb and quick connect). Any fixtures damaged by homeowner or third party will not be covered by warranty. This warranty does not cover lightning strikes, acts of God or any problems caused by home electrical issues. Note: All other fixtures including internal components installed by an Elite Outdoor Franchisee will be covered by the original manufacturer's warranty.

Low voltage wire. The warranty does not cover wire mistakenly cut by the property owner or other vendors or an electrical shortage to the line because of anything being driven, stapled or manipulated into the wire lines. This warranty does not cover lightning, acts of God or any problems caused by home electrical issues.

All residential outdoor lighting LED bulbs and electronics installed by Elite Outdoor Lighting are warranted for 5 years (with an additional life-time warranty from Elite Outdoor Lighting). The bulb warranty applies only when replacement service is performed by qualified Elite Outdoor Lighting personnel. If anyone else services the system or replaces the bulbs, no bulb warranty will be in effect from Elite Outdoor Lighting and you may void your system warranty as well. Use of incorrect bulbs can lead to system failures, including fixture damage. Service calls due to problems associated with bulb replacements made by someone other than Elite Outdoor Lighting personnel will incur a service fee.

Five Year Warranty

All residential outdoor lighting halogen bulbs installed by Elite Outdoor Lighting are warranted for one year with normal use (dusk to midnight). Bulbs operated from dusk to dawn are warranted for six months. The bulb warranty applies only when replacement service is performed by qualified Elite Outdoor Concepts personnel. If anyone else services the system or replaces the bulbs, no bulb warranty will be in effect from Elite Outdoor Lighting and you may void your system warranty as well. Use of

incorrect bulbs can lead to system failures, including fixture damage. Service calls due to problems associated with bulb replacements made by someone other than Elite Outdoor Lighting will incur a service fee.

Glass lens covers with painted finishes installed by Elite Outdoor Lighting. The warranty does not cover lost or stolen lens covers or scratches. Glass lens covers that have been covered in mulch or other debris resulting in damage are not covered by this warranty.

All digital timers and photocells are covered for 5 years. All commercial fixtures are covered for 5 years. There is no warranty on the bulb.
